REFUGEES KILLED BY BOMBS

CITY COUNCIL ACTS TO CURB EXCESS SMOKE

Affects Chimneys,
Locomotives and
Machines

6-MINUTE LIMIT

Abatement of the smoke nuisance in the city was a major problem of the city council last night. The city council acted on a proposed ordinance which would limit the amount of smoke which could be emitted from chimneys, locomotives and other machines to a six-minute limit.

Any person or corporation permitting a smoke nuisance to exist for a period of six minutes in any one hour during which the fire box is being cleaned out or a new boiler is being installed, would be subject to a fine of \$10 to \$100 for maintaining a nuisance.

At the suggestion of Alderman Huntington James, second ward, this measure as well as two other proposed ordinances on which details have not yet been worked out, were sent to the ordinance committee. The latter have to do with licensing of motor buses and of whole salers and retail gasoline dealers.

Mayor Albert F. Hattenburg informed the council that the district attorney's office at Ottawa had given approval yesterday of the city's proposed ordinance to restrict traffic on Court street at the intersection of Harrison, Dearborn and East avenues, to be paid for out of Kankakee's share of state gas tax receipts. Before the city can advertise for bids on this work, however, the state office at Springfield must OK the plans.

The council concurred in two resolutions of the fire committee, of which Alderman Myron Deneau, second ward, is chairman. The committee recommended that full time employees of the fire department should not do outside work during their spare time or on vacations, but that such persons be devoted to improving their physical condition to increase the efficiency of the department. A resolution to this effect was ordered sent to the fire chief.

Because of the limited number of cars in the city and the constantly increasing demands made upon the department, the committee also approved a resolution restricting

Dr. G. A. Mills New Head of Commission

Appointment of three citizens to fill vacancies on two city commissions was announced last night by Mayor Albert F. Hattenburg and confirmed by the city council.

Dr. George A. Mills of 797 Cobb boulevard was named chairman of the police and fire commission, replacing C. D. Cary who has moved to California. Stanley McBroome of 606 South Winwood avenue was appointed a member of this commission, succeeding W. A. Yates who resigned to become a supervisor.

Edwin Benoit of 747 East River street was named to the police pension board, filling a vacancy created by the death of A. L. Taylor. A resolution offering condolences to Mrs. Taylor was drafted.

Archie Stevenson, 57, packing house salesman who was recently released from Kankakee state hospital after taking treatment for alcoholism, leaped to his death yesterday from the eighth floor of the YMCA hotel in Chicago.

Despondency over poor health was given by police as the reason for his act. Stevenson left the institution here about 10 days ago. He left no note but police learned he had a sister, Beatrice Herraux in Toronto. Can Stevenson was a Canadian.

COURT ACTION TO DECIDE WHO GETS REWARD

For Capture of 3
Desperadoes in
Crime Here

AT LOCAL STORE

Division of a \$1,000 reward offered almost three years ago by the Walgreen Drug company for the apprehension of bandits who held up the Kankakee store and murdered a company executive the night of Dec. 22, 1934, will be the subject of a special hearing on Oct. 4 in the circuit court of Cook county.

The Walgreen company has put into the hands of the court the matter of dividing or otherwise disposing of the reward which is claimed by several law enforcement officials and which has never been paid.

Prominent among these is Sheriff John Stack who was the first to file a claim for the reward asserting that it was information, pictures and descriptions broadcast by him which resulted in the capture and subsequent conviction of three men now serving prison terms.

Other parties involved are Patrick J. Duignan, former chief of police; Alvin L. Stone, former city detective; Elmer Saenger, sheriff of McLean county; and Leslie V. Crestman, sheriff of Alexander county.

The reward was posted by the Walgreen company following the death of Joseph Ghatta, district supervisor who was shot during the holdup of the local store.

Following Jan. 28 Harry Roley and Eugene Malson were caught at Bloomington and on Feb. 1 Jules Hopkins was captured in Cairo. The following June 7 Hopkins was sentenced to serve 90 years in prison on June 28 Roley was found guilty after pleading guilty to murder and sentenced to 99 years in prison and on July 3 Malson was sentenced to serve two years as an accessory to the murder.

Local Dairy Farm One of 3 Best in State

Philip Suprenant of Kankakee recent district winner in the Pure Milk association's nearest dairy farm project, was also named one of three gold medal winners for the state of Illinois in the Chicago and dairy farm contest according to announcement today of the association.

Each year the association sponsors these contests among its 14,500 members in the middle west who are located in the Chicago milkshed. Gold, silver and bronze medals will be awarded respective winners on Pure Milk Farms day Sept. 17 at Soldier field in Chicago. Ivan Bergeron of Bourbonnais received a bronze medal in the Chicago and dairy farm contest.

Winners in the fourth annual contest were from Illinois, Indiana and Wisconsin. A feature of the Pure Milk day celebration will be the first national farm olympics including contests in milking, hog raising, husbandry, rolling pin throwing, horse shoe pitching and fence post driving.

EXPECT 100 TO MAKE RETREAT AT ST. VIATOR

Catholic Laymen to
Spend Week-end
in Prayer

THIRD ANNUAL

Approximately 100 Catholic men will begin the third annual laymen's retreat at St. Viator college at 8 o'clock Friday evening. The Rev. W. J. Bergin will conduct the period of religious self-examination and meditation.

Fifty men from Chicago have registered to make the retreat and others will come from Kankakee and surrounding communities. No charge is made in advance; the expenses are met through voluntary contributions at the close of the exercises.

St. Viator college is considered ideal for a retreat. Away from the noise and distractions of the business world, it is conducive to the quiet and silence necessary. Registrations are still open.

The exercises of the retreat are arranged to further a real spiritual audit so that the participants may return to their mundane existence with a definite program of life.

At the opening conference Friday evening at 8 p. m. there will be benediction and confessions. The laymen will arise at 6:30 a. m. Saturday for morning prayer in common and attend mass at 7:30 o'clock. At 7:45 a. m. breakfast will be served, followed by reading and silence period.

At 8:45 a. m. recitation of the rosary will precede another period of meditation. At 11 a. m. another rosary recitation, a conference will be held, followed by examination of conscience.

Rest and Prayer
Dinner at noon will be followed by reading or conversation with friends. At 2 o'clock the stations of the cross will precede confessions or spiritual reading in private. At 4 p. m. another period of meditation will occur and at 5:45 p. m. another rosary recitation, then supper will be served and conversation with friends.

Steeplejacks' Risky Job

Painting of the 140-foot water tower for the village of Bourbonnais is the play for these steeplejacks. Most of their jobs are at much higher altitudes. In the picture above, the Republican-News photographer mounted to the top of the tower to get a shot looking down at Ed Cornwell (left) and Joe Kaiser, both of Belvidere, playing around the sides of the tower as if they were on the ground. Below them are Loren Herron, Homer Shook, Dale McDonough, Mike Brobeck and Smokey Schwibbe, standing on the rail around the tank. When these steel-nerved workmen were asked if any ever had an accident, they replied, "You only have one accident on this job!" The lower picture is a view from the ground showing W. R. Greenlee (right) job boss and one of the owners of the Greenlee construction company of Cherry Valley, Ill., standing with his ground man, Blacky Wales, who try to make the job "easy."

Kiwanians to Take Band to Convention

Further arrangements for participation by the Kiwanis club of Kankakee in the district Kiwanis convention at Joliet on Sept. 27, 28 and 29 were made in yesterday's meeting of the club at McBroome's cafe.

When the clubmen met a week ago, they voted unanimously to attend the convention 100 per cent. Yesterday they voted to send the Kankakee high school band, directed by George Piersol who is chairman of the international Kiwanis music committee, to the convention which will be attended by representatives of clubs from Illinois and Iowa.

The band, with expenses paid by the local Kiwanians, will play at the convention the afternoon and evening of Sept. 28, the evening concert to be during the banquet hour.

CHINESE TRAIN IS BLOWN FROM TRACK BY JAPS

Worst Disaster in
Three Months of
Undeclared War

NEAR SHANGHAI

Tokyo, Sept. 8.—(AP)—The house of peers today enacted Japan's \$600,000,000 supplementary war budget into law without a dissenting vote. The huge emergency appropriation still requires formal imperial sanction, but, as it was initiated by the cabinet and passed by both houses on the diet, it is now actually law.

By JAMES A. MILLS
Shanghai, Sept. 8.—(AP)—At least 300 Chinese non-combatants were killed and 400 injured today in one of the worst disasters caused by Japanese air bombs in the three months of undeclared war.

Five railroad cars, packed with Chinese refugees fleeing from their war zone, were blown from their track by Japanese bombers at Sungkiang station, 30 miles from Shanghai.

Fifteen hundred Chinese were wedged into every inch of the train when the bombs burst in their midst. Two densely crowded second-class coaches and three third-class cars were shattered by the blast, lifted from the wrecked roadbed and turned over.

Many of their occupants not killed by the explosives were crushed to death in the wreckage. The bombs fell without warning as the train was standing in the Sungkiang station, on the line to Hangchow.

The fearful explosions literally showered human forms and blood-smeared debris into the air. The bodies of the dead were scattered in all directions some catapulted many yards from the wreck. Injured and dying non-combatants were sprawled grotesquely in the railroad yards as though they had been shot down in battle.

A Chinese spokesman declared the train carried no soldiers, and that the station was serving no military purpose. He said the bombs tore up long sections of track and heavily damaged a railroad over-pass and water tower.

Red Cross officials rushed aid from Shanghai to reinforce crews of doctors and nurses already on the scene from the Sungkiang Chinese hospital.

Both the Chinese and Japanese meanwhile took action that interested.

Grant Divorces to
2 Deserted Wives

A marriage at Crown Point on May 28, 1936 was dissolved yesterday by Circuit Judge W. R. Hunter, this being one of two divorces granted.

Mrs. Elizabeth Gustafson of Mokena, represented by Attorney W. J. Parish, charged her husband August with desertion. There are no children. She was given the right to resume her maiden name of Elizabeth Murphy.

The other suit, Mrs. Mary Michaels of Kankakee charged her husband George with desertion. They were married in Mokena on Aug. 10, 1929 and lived together until Aug. 5, 1931. There being no children, she was allowed to take her maiden name of Mary Giardina. She was represented by Attorney Samuel H. Shapiro.
